Guests choosing a Civil Wedding or Partnership Ceremony are responsible for making their own legal arrangements & costs which must be made directly with the Superintendent Registrar in Grays in addition to the district in which you live (if different). Please call 01375 375 245 or visit the website www.thurrock.gov.uk for more information.

Once a time for a ceremony has been secured with the Registrar please inform the wedding co-ordinator at the hotel. On the day itself the Registrar will be at the hotel 30 – 40 minutes prior to the ceremony. A short interview with the Registrar is required before the ceremony. This is held in a private room and can be done together or separately. We recommend both the bride and groom arrive early enough to facilitate the interviews. A minimum of two witnesses will be required and the ceremony should take about 20 minutes.

The service must be non-religious. Any readings, words or performance that form part of the ceremony must be secular and approved by the Registrar prior to the ceremony. The hotel has a selection of appropriate music – please discuss this with the co-ordinator beforehand if you wish to make use of this music.
